

GILBERT KIPLANGAT

199-40300, Homa Bay town, Homa Bay, Kenya | +254759104865 | gilbertketer759@gmail.com

ABOUT ME

- Hard working and effective web developer who has more than 2 years of expertise. Bilingual, astute and deadline-driven. Seeking a developer position where a strong understanding of technology and a marketing background can be best utilised.

EXPERIENCE

IT Technician

Tom Mboya University | Homa Bay, Kenya | January 2024 - Current

- Currently engaged in assisting the campus IT department, actively involved in configuring and troubleshooting networks. I play a crucial role in ensuring the seamless operation of our IT infrastructure, working closely with the network administrator to optimize network connections.

Lead

Google | Homa Bay, Kenya | August 2023 - Current

- As the GDSC Lead, I have championed a dynamic and inclusive tech community at our academic institution. Leading a team of passionate individuals, I have overseen the organization of impactful events, workshops, and projects, fostering a collaborative environment that empowers students to excel in the realms of technology.

Full Stack Web Developer

Wimedica | null, Italy | November 2023 - January 2024

- Involved in development of FastControl, a web app design tool. I enabled users to effortlessly craft applications, design graphs, and establish forms using the tables and later generate links to those forms automatically, mirroring the functionalities of Microsoft Access.

SKILLS

- Website Optimisation
- SEO
- FireBase
- FullStack Developer
- SQL, Mongo, Next js, React Js, PHP, Tailwind, Typescript

EDUCATION

Tom Mboya University

Homa Bay

Degree: Bsc Mathematics and Computer Science

January 2021 - Current

- Currently a student at Tom Mboya University, undertaking a degree in Mathematics and Computer Science. My academic journey is characterized by a deep passion for technology specifically application development and a commitment to learning.
